

I want rules in place that serve the public, rather than private, interest. I am particularly concerned that stations will be managed in such a fashion that local concerns, such as weather and emergency messages pertaining to particular geographic areas cannot be properly handled.

It also offends me that this proposed rule change is being carried out with essentially no opportunity for public comment and debate. I oppose taking a vote that leads to more media consolidation. On June 2nd, I urge you to retain the current ownership rules.

Very truly yours
